**Marin Zwetkow
Interoperability Advisor**

ENTSOG / GIE Joint Cyber Security Task Force

Joint Cyber Security Task Force

ENTSOG/GIE joint Cyber Security Task Force

- > The joint Task Force was established in September 2018 to align GIE and ENTSOG on CS topics and regulatory developments.
- > 46 ENTSOG/GIE members
- > Main attention point: follow-up EC initiative on a **Network Code on Cyber Security**
 - Analysis of the 2nd interim report of the Smart Grid Task Force 2 on cyber security in the smart grid environment
 - Follow up on the recommendations from EC on Cyber Security in the energy sector
 - Applicability to the gas sector
- > Follow up on cyber security activities:
 - Co-host of the Joint ENTSOG / GIE / ENTSOG Cyber Security Workshop – 15/03/19, Brussels
 - Participation at the Energy Community Cyber Security day – 11/04/19, Vienna

Joint Cyber Security Task Force

Upcoming tasks

- > Survey regarding the implementation status of the NIS regulation among the ENTSOG/GIE members
- > Information sharing about Cyber Security incidents / threats
- > Planned cooperation with a renowned consultant
- > Planned cooperation with national cyber security authorities
- > Digitalisation: possible consideration this topic in the aspect of “operational security” (e.g. SCADA, metering) digitalisation and forming an expert TF.
- > Analysis of the final report of the Smart Grid Task Force 2 on cyber security in the smart grid environment

Thank You for Your Attention
